

## Custom Payroll Associates Announces Paperless Payroll for Small Businesses

*New technologies allow PayrollonaBudget.com to provide cost-effective payroll services.*

Lewisville, TX (PRWeb via [PRWeb](#)) December 16, 2004 -- With the advent of paperless payroll technology for the internet, the professionals at Custom Payroll Associates Inc. have created [www.PayrollonaBudget.com](http://www.PayrollonaBudget.com), providing the most cost-effective payroll services to small businesses. With new technological advancements, PayrollonaBudget.com can provide professional quality payroll services at a price less than one-third of its major competitors price and ideal for a small business budget.

The staff of financial, payroll and tax professionals at Custom Payroll Associates is committed to giving the highest quality of service at a budget-conscious price. Their services are specifically tailored around the needs of small business clients, omitting services that they do not need nor do they want to pay for. PayrollonaBudget.com is also designed to minimize the efforts required by small businesses to produce, track and report their payroll. This allows the allocation of the saved dollars to more important budget concerns. Complex, customized and additional services for larger businesses may also be addressed.

The payroll services available at [www.PayrollonaBudget.com](http://www.PayrollonaBudget.com):

\* Internet Payroll Entry: Using state-of-the-art technologies, services are 100% paperless, and secure internet entry is available 24 hours a day from any internet-ready computer in the world.

\* Email Reports: Email reports, sent to specified email addresses, provide full information in paperless form.

\* Employee Self-Service: Seamless integration of standard data between payroll and employee services allows employees to maintain personal information, view pay stub details for current and past pay periods, print W-2 forms, monitor attendance and vacation time. It also allows managers to adjust pay and access career information.

\* Payroll Debit Card: The Payroll Debit card allows the system to be 100% paperless - no paper checks. This eliminates the costs and problems associated with their printing and distribution. Through the system, direct deposits are made to checking, savings or a Payroll Debit Card account (national or international usage). The \$3.95 monthly fee to the employee for the Payroll Debit Card provides a FDIC insured account as well as one free ATM transaction for each payroll cycle.

\*Tax Payment System: The Tax Payment System guarantees compliance on all payroll tax issues by handling all deposit requirements, creating and filing all appropriate tax returns in every U.S. jurisdiction. This system provides representation to all state, local and federal taxing authorities in all matters concerning payroll.
