

## **Logicalis Named U.S. Services Partner of the Year by Cisco at Annual Partner Summit**

*Prestigious award recognizes superior service delivery capabilities.*

Bloomfield Hills, MI ([PRWeb](#)) April 15, 2008 -- Logicalis ([www.us.logicalis.com](http://www.us.logicalis.com)), a global provider of high-performance technology solutions, has been named U.S. Services Partner of the Year by Cisco during its Annual Partner Summit held in Honolulu, Hawaii. The award recognizes Logicalis for its performance in delivering award winning Cisco SMARTnet maintenance solutions as well as its dedication and expertise in creating advanced collaboration and communication channels so people can communicate to anyone, anywhere, and anytime.

"Cisco's prestigious award is a testament to the high and consistent level of customer satisfaction Logicalis provides," said Terry Flood, President of Logicalis. "We look forward to achieving new successes for our customers as more companies embrace [unified communications and collaboration](#) on the Cisco platform."

"I had the honor and privilege of recognizing Logicalis as a Cisco Partner Summit regional award winner," said Wendy Bahr, vice president of US and Canada channels at Cisco. "The U.S. Services Partner of the Year award recognizes Logicalis' performance and success as a Cisco channel partner in the U.S. in 2007."

### Customer Satisfaction

"Customers bring Logicalis their unique business communication challenges because they know we'll jointly create a customized solution and support plan to ensure success," said Logicalis Vice President of Cisco Solutions Ron Temske. "Customers trust Logicalis to bring a more collaborative team approach to their workforce and customer communications."

Logicalis has consistently held one of the highest customer satisfaction ratings of any Cisco partner and has received Cisco's "Customer Satisfaction Excellence" award multiple times.
